Dear Supporter,

I'm inviting you to join us at the *4th Annual Black On Black Crime Solutions Panel*. Courage To Believe International is a 501(c)3 organization dedicated to curbing the violence within the urban neighborhoods and to increase the love within our communities. We are hosting our annual community event on Saturday, **June 10, 2017** in partnership with Miami-Dade College/ North Campus. With the support and attendance of people like you - we are proud to say that the past 3 years has been a huge success! As you can imagine it hasn't been easy.

We plan on bringing that same positive energy to this year's Black On Black Crime Solutions Panel. Booker T. Washington once said, "Let them once understand that you are unselfishly interested in them, and you can lead them to any extent." We stand by this philosophy when it comes to mentoring the youth.

Our students must know that we support and believe in them, however many at-risk youth can't while sitting in juvenile detention or in prison. We aim to continuing implementing our chess program in order assist the youth circumvent the school-to-prison pipeline system by changing their mindsets. That is why we created the C2B Chess Club & Mentoring program as a way of improving the student's decision-making skills.

Purpose: To bring awareness to the gun violence that has been plaguing South Florida, and to promote mentorship.

Theme: “EmpowerMentorship”

What: 4th Annual Black On Black Crime Solutions Panel. The audience will get a chance to ask questions expanding effective mentorship in South Florida. June 10th from 11am-2pm.

Attendance: There will be several community leaders, organizations, teenagers and college students on the panel. The audience will be filled with concerned members of the community.

This event serves two purposes: First and foremost, to show our teens and young adults how to make successful life decisions in order to avoid joining the school to prison pipeline, which is a growing epidemic in this country. Secondly, to build a bridge between the older and younger generation because of the disconnect causes communication issues. There is power and strength in the unity of our homes, places of business, and schools.

We would also like to invite you to become one of our 2017 Sponsors. We have a 501(c)3 that will enable your donation to be tax-exempt. As a sponsor, you will be receiving positive media attention from your association with *Courage to Believe International* mission of uplifting the community.

We have included a sponsorship options for your review. If you are interested in becoming a sponsor of the Courage to Believe Intl, please don't hesitate to contact us. In addition, we will be following up via phone within a week or two to see if you have any questions that we can answer about the sponsorship or the organization.

Sincerely,
Kevin Dorival, Founder
The Courage To Believe International
