5036 LaVista Road Tucker, Georgia 30084 Phone 678.874.3702

Special Thank You for Speaking At Tucker High School's Black History Month Festivities.

To: King Kevin Dorival,

Thank you for accepting the invitation to be a speaker during Black History Month at Tucker High School. Your presentation was on perfect grade level for the students. Thank you for enlightening and educating them on their history. I appreciate how you helped them understand the importance of treasuring and embracing their identity. Your impressive discussion on our various kings and queens was very well received at Tucker High school on February 28, 2019 here in DeKalb County, Georgia. We commend you for sharing your life story and the demonstration of self-determination! You were a true role-model for the students.

You also did a great job in keeping the students engaged! The fact that many of them asked questions shows that they were paying attention. I hope that you come back again in 2020.

Sincerely,

*Tonya Grace*
